DAHEL DATA ANALYTICS CAPSTONE PROJECT(JANUARY COHORT)

PROJECT TOPIC: ANALYSIS ON GLOBAL SUPERSTORE SALES

INDUSTRY : GLOBAL COMMERCE AND LOGISTICS

PREPARED BY: GROUP 2

Tools Used:

- Kaggle
- Microsoft Excel
- Tableau
- Analysis

GLOBAL SUPERSTORES

INDIVIDUAL WORKSHEETS

on

GLOBAL SUPER STORES

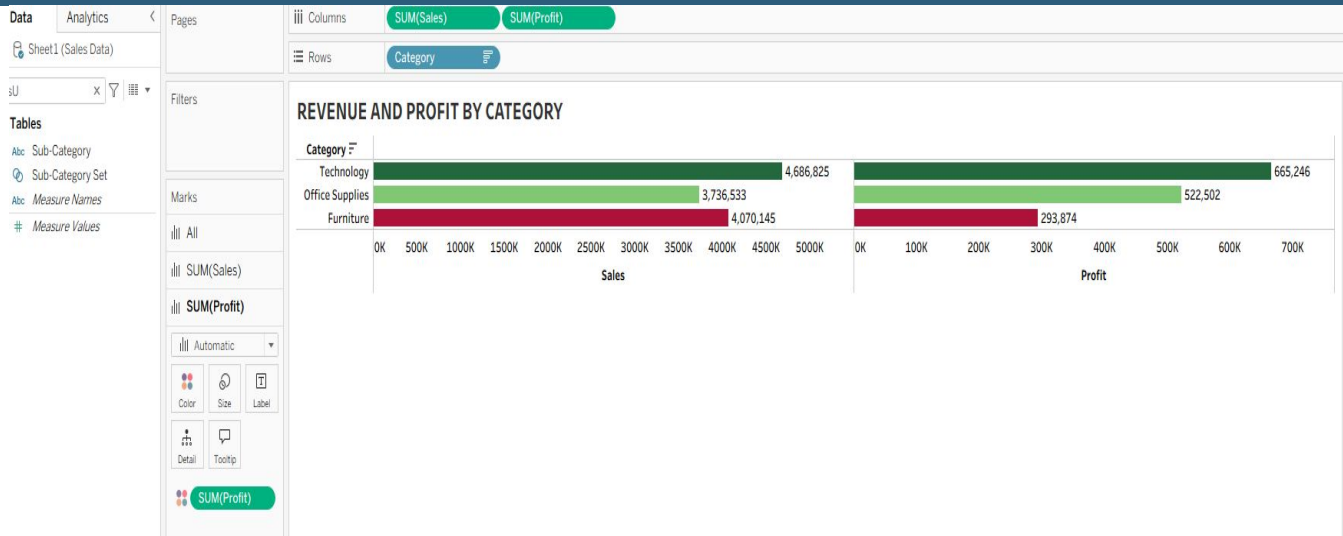

Reporting Period: 2011- 2014

DASHBOARD VISUALS ANALYSIS

To better understand the performance of Global Superstore, 12 visual reports were developed in Tableau. These visuals examine sales performance, customer behavior, product profitability, regional performance, and operational efficiency. Together, they provide a clear picture of what is driving the business growth, where challenges exist, and where opportunities for improvement can be found.
